

# ROLLEI RSE SELENIA TONER II

Rollei RSE Selenia Toner is a liquid concentrate toner to create a stunning selenium toned look to your prints. RSE delivers a visibly warmer print and provides higher density and contrasts. It works with all resin-coated (RC) and traditional fiber-based (FB) black & white photographic papers. The enhanced archival stability and reduced fading capabilities make it ideal for long-term archiving.

## Dilution 1 + 20 :

47,6 ml RSE + 952,4 ml water = 1l working solution

Temp. 20°C / 68°F

Hint: The temperature of the working solution during the toning process must be 4°C higher than that of the subsequent final rinse (RC/RE paper: 10 min | Baryt/FB paper: 30 – 40 min). The use of watering aids is not necessary.

## AVAILABLE SIZES

Warning Contains Natriumselenit Causes serious eye irritation. Suspected of causing cancer. Harmful in contact with skin. **Keep out of reach of children.** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
